Chobham Manor Residents

13 October 2020

Dear Resident(s)

Re: Chobham Manor Community Facility Working Group – Resident representative required

I am writing to inform you that as part of the Chobham Manor LLP, we are committed to investing in the local community and support local community initiatives, including the newly built community facility on the development. Our mission is to provide a high-quality community facility, providing a hub for local residents and the wider community with a range of social, economic, recreational and learning opportunities whilst promoting equality, diversity and community cohesion.

Chobham Manor Community Facility Working Group (CFWG) has been set up to oversee the Community Facility Strategy and appoint an operator for the facility that meets the needs of the community.

We are looking to invite a deeply committed resident representative to join the Community Facility Working Group (CFWG). This is an exciting opportunity to help shape local delivery of the community facility; ensuring this important addition to the Chobham Manor community is steered with resident representatives. As part of this role you will support the needs of our residents and the wider community.

We want to hear from you if you feel you can:

- Contribute to help deliver the aims of the Community Facility Strategy and improving opportunities for residents
- Provide impartial resident representation
- Represent both onsite and surrounding area residents
- Commit to attend meetings on a monthly basis that will last a maximum of 2 hours during the course of appointing a suitable operator

BECAUSE HOMES MATTER

Yours sincerely,
