

Chobham Residents Orchard Project (CROP)

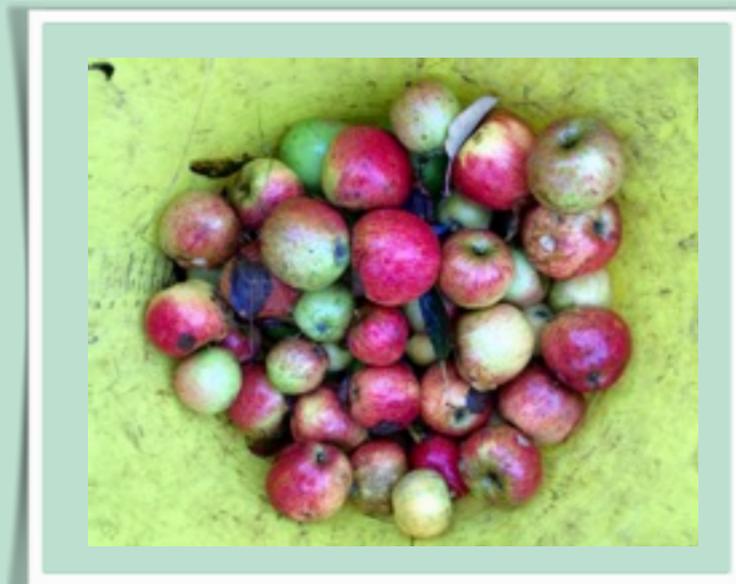

Fruit tree identification and pruning session

Saturday 16 February 2019

10.30am to 12.30pm

Volunteers welcome, children must be accompanied by an adult.

Meet near the Hammock in the Rain Garden, Villiers Gardens.

We want to take over care of the fruit trees in the Rain Garden to create our own community orchard. This will be the first volunteer session with advice and assistance from the Orchard Project. We will be outdoors so dress for the weather, and bring work gloves and secateurs if you have them.

Please let us know if you can make it
